

Back in 2007 when we opened Adriatic Grill, I wanted to do something special for military families. So we provided a 25% discount to military members, their spouses and dependent children during our first year of operation.

Then 2008 rolled into town and so did the recession. Our Military Discount was scheduled to end that year, but it didn't seem like the right thing to do. So we decided to extend it for another year.... then another.... and another.

Our yearlong promotion has lasted over 4 years!

Instead of ending the promotion, I've decided to continue offering a military discount with some minor adjustments.

Effective immediately, our revised Military Discount program goes into effect:

**Active Duty Military – 15% off all food and non-alcoholic beverages
Applicable to soldier, spouse and dependent children with valid Military ID**

**Retired Military- 10% off all food and non-alcoholic beverages
Applicable to retiree and their spouse with valid retired Military ID**

**Catering/Large Parties (16 or more Guests at one reservation) 10%
Applicable to each Guest with valid active duty or retired Military ID**

As a former Army soldier and father of a current Stryker soldier at JBLM, it's important to me to support our military families every way we can, and we will still have the best Military Discount of any South Sound restaurant.

Thank you for your continued support.

**Sincerely,
Chef Bill**
